# Rock With You

## Inner Circle

Yeah! All I want to do is rock with youLove is me
Love is you.All I want to do is rock with youShout it out an' tell yer friends too.
Love is me
Love is youThis is what we wannd do
Yeah.Let's talk a while
My friendFind out what's on your mind.
Drift away in a darkness.
We've ben sleepin' much too longEnough! it's time to get up!
We gotta carry on (carry on)
Let's carry on (carry on).Yeah! All I want to do is rock with youShout it out an' tell yer friends too.
All I want to do is rock with youShout it out an' tell yer friends too.
Love is me
Love is youThis is what we want to do
Yeah.Like a rose in the summerIn the midst of thorns.
Our love must grow
The rivers must flow
We've been sleepin' much too long enough!
It's time to rise!
We gotta carry on (carry on)
We gotta carry on (carry on).Yeah! All I want to do is rock with youShout it out an' tell yer friends too.
Love is me
Love is youThis is what we want to do.
All I want to do is rock with youShout it out
Tell yer friends too.
Love is me
Love is youThis is what we want to do.SoloWe gotta carry on (carry on)
Let's carry on (carry on)
Love is me
Love is you
Enough!It's time to rise.All I want to do is rock with youShout it out an' tell yer friends too.
