Love Pains (Definitive Mix)

Obsession

Love pains (pains) (pains) (pains)
(Love pains)Love pains (pains) (pains) (pains)
(Love pains)Midnight
I watch you as you're sleeping
You don't know that I'm leaving
My bags are packed to goOh, no, no, no
It hurts me
Hurts me so to leave you
Leave you for some one who
I hardly even knowBut time has come to say goodbye
To spread my wings and fly
To feed the need I feel insideBut I keep feeling these love pains
Hurting me through and through
Caught between a love or two
Oh, will I ever be free from these love pains?
Tearin' me all apart
'Cause I don't wanna break your heart
Oh, will I ever be free from these love pains?(Love pains)
(Love pains)Love pains (pains) (pains) (pains)
Love pains (pains) (pains) (pains)Can't help
Can't help but remember
The love we had, so tender
A world so safe and soundOh, no, no, no,
His kiss, temptation so inviting
A feeling so exciting
Has turned it upside downAnd though, I know I could be wrong
This feeling's much too strong
I've got to be where I belongBut I keep feeling these love pains
Hurting me through and through
Caught between a love or two
Oh, will I ever be free from these love pains?
Tearing me all apart
'Cause I don't wanna break your heart
Oh, will I ever be free from these love pains?
Hurting me through and through
Caught between a love or two
Oh, will I ever be free from these love pains?
Tearing me all apart
'Cause I don't wanna break your heart

Oh, will I ever be free from these love pains?
Tearing me more apart
'Cause I don't wanna break your heart
Oh, will I ever be free from these love pains?
Love pains (pains) (pains)
Love pains (pains) (pains)
Love pains (pains) (pains)
Love pains (pains) (pains)
