

Scarecrow

Clairity

[Verse 1]

My hair might look a bit like it's made of straw
Frizzy when it rains
And my socks aren't matching; that's not happening
Clothes aren't dirty, they're stained[Pre-Chorus 1]
I know my timing is off; I'm taller than all the guys
Forgive me for being strange in frightening ways[Chorus]

I don't mean to be a scarecrow
Don't wanna make you run away tonight
You and I both know how this goes
You see my face and then you creep outside
Please don't go; I could show you that I'm really okay
I might be quirky, but I'm worthy
Come on, give me a break[Verse 2]
I'm rocking a case of the socially awkward
Never say the right thing
Well, at least you're laughing, but it's still saddening
You can't take me seriously[Pre-Chorus 2]
Whenever I'm in the room, you're faking another call
I don't know who you're talking to; it's probably your mom[Chorus]

I don't mean to be a scarecrow
Don't wanna make you run away tonight
You and I both know how this goes
You see my face and then you creep outside
Please don't go; I could show you that I'm really okay
I might be quirky, but I'm worthy
Come on, give me a break[Bridge]

Why don't you like me?

Why don't you like me?

I wish you liked me

Why don't you like me?

Why don't you like me?

I wish you liked me[Chorus]

I don't mean to be a scarecrow
Don't wanna make you run away tonight
You and I both know how this goes
You see my face and then you creep outside
Please don't go; I can show you that I'm really okay
I might be quirky, but I love it

Come on, give me a break
