Cool Night

Young Widows

Times slides like amphetamine lies
A pit of dreams
Don't let the fire die
'Cuz this is my backyard
On such a cool night
Old wounds got ya numb to disguise
In couple hours the bats will fly
In halo around your head
It's such a cool night
Such a cool night, I'd love to stay
Such a cool,
We could ease the pain
You want to live like you want to die
It's simple, I'm trying to survive
On such a cool night
Signs point in every which way
Please, say that tomorrow will be yesterday
It's such a cool night
Such a cool night, I'd love to stay
Such a cool night,
We could ease the pain
Easy pain
