

# Motherless Children

Josh White

Motherless children sees a hard time  
When their mother's dead  
Motherless children sees a hard time  
When their mother's dead  
They are driven out in the cold  
Cause they've got no place to go  
Motherless children sees a hard time  
When their mother's dead Orphan children sees a hard time in this world  
Orphan children sees a hard time in this world  
Sister does the best she can  
But she don't really understand  
Orphan children sees a hard time in this world Brother won't treat you like mother will  
When your mother's dead  
Brother won't treat you like mother will  
When your mother's dead  
You may ask for a piece of bread  
You are told to go to bed  
Motherless children sees a hard time  
When your mother's dead Orphan children sees a hard time in this world  
Orphan children sees a hard time in this world  
Sister does the best she can  
But she don't really understand  
Orphan children sees a hard time in this world Friends won't treat you like mother will  
When your mother's dead  
Friends won't treat you like mother will  
When your mother's dead  
They will tell you what to do  
Then they'll turn their back on you  
Motherless children sees a hard time  
When their mother's dead Orphan children sees a hard time in this world  
Orphan children sees a hard time in this world  
Sister does the best she can  
She really don't understand  
Orphan children sees a hard time in this world
