

# The Long and Winding Road

**Melba Moore**

The long and winding road  
That leads to your door  
Will never disappear  
I've seen that road before  
It always leads me here  
Lead me to your doorThe wild and windy night  
That the rain washed away  
Has left a pool of tears  
Crying for the day  
Why leave me standing here?  
Let me know the wayMany times I've been alone  
And many times I've cried  
Anyway you'll never know  
The many ways I've triedAnd still they lead me back  
To the long winding road  
You left me standing here  
A long long time ago  
Don't leave me waiting here  
Lead me to your door
