

Minds Without Fear

Imogen Heap

Nearly every inch of us on the line
Plucking on the string of everything
That could have been
Such unrescued treasure fractals of her lives
Tham ja murh ja naseebaKahaan le aaye naseebaIf you move like lightning
Charging through the angry skies
And intercept on the arrow of timeKahaan le aaye naseebaBut we just might make this up
With our heads held high
So this story continues with
Minds without fearBaadal lehraaye maat ka joBan jaa bijli baadal ko cheer tuRooh ko kar de yun roshan
Bas mushqil hai naamumkin toh nahiBan jaa bijli naseebaKahaan le aaye NaseebaIf you move like lightning
Charging through the angry skies
And intercept on the arrow of timeKahaan le aaye naseebaBut we just might make this up
With our heads held high
And this story continues with
Minds without fearJhi jhi re jhi jhi re jhi jhi re jhi jhi re
Jhi jhi re jhi jhi re jhi jhi re jhi jhi re
Jhi jhi re jhi jhi re jhi jhi re jhi jhi re
Jhi jhi re jhi jhi re jhi jhi re jhi jhi reKahaan le aaye NaseebaIf you move like lightning
Charging through the angry skies
And intercept on the arrow of timeKahaan le aaye naseebaBut we just might make this up
With our heads held high
So this story continues with
Minds without fear
