## Kasabian

Even though I know it's wrong  
It's time for us to get back home  
Where have all the hours gone  
I'd hate for you to be alone  
Let's play scissors, paper, stone

Now there's only us two left  
We lost a few good men on the way  
Started out as quite a crowd  
Let tomorrow wait another day  
Let tomorrow wait another day

Didn't we all have such a good time?  
Didn't we all have the greatest night  
The greatest night, the greatest night?

(Live the night you can remember)  
(Live the night you can remember)

Didn't we all have such a good time?  
Didn't we all have the greatest night  
The greatest night, the greatest life?

(You don't know what you do to me)  
(You don't know what you do to me)

Here's the sunrise, how the time flies  
Even though I know it's wrong  
I know there's time for one more song  
Let's play scissor paper stone  
Let's play scissor paper stone
