

Closer (The Young Professionals Remix)

Tegan and Sara

All I want to get is
A little bit closer
All I wanna know is,
Can you come a little closer? Here comes the breath before we get a little bit closer
Here comes the rush before we touch, come a little closer The doors are open, the wind is really blowing
The night sky is changing overhead It's not just all physical
I'm the type who won't get oh so critical
So let's make things physical
I won't treat you like you're oh so typical
I won't treat you like you're oh so typical All you think of lately
Is getting underneath me
All I dream of lately is how to get you underneath me Here comes the heat before we meet a little bit closer
Here comes the spark before the dark, come a little closer The lights are off and the sun is finally setting
The night sky is changing overhead It's not just all physical
I'm the type who won't get oh so critical
So let's make things physical
I won't treat you like you're oh so typical I want you close, I want you
I won't treat you like you're typical
I want you close, I want you
I won't treat you like you're typical Here come the dreams of you and me, here come the dreams
Here come the dreams of you and me, here come the dreams It's not just all physical
I'm the type who won't get oh so critical
So let's make things physical
I won't treat you like you're oh so typical I want you close, I want you
I won't treat you like you're typical
I want you close, I want you
I won't treat you like you're typical I won't treat you like you're typical
I won't treat you like you're typical All I want to get is
A little bit closer
All I want to know is,
Can you come a little closer?
