

In Spite of Everything

The New York Room

anguish is near
so close with me here
and I have nowhere to run
and nowhere to hide
so just let me lie
here by your sidebut before I sleep
before I escape
please heed my demand
and just hold my handjust for awhile
I hope you dont mind
but I have nowhere to go
and I cant decide
so paint me a smile
as I close my eyesbut before I sleep
take leave of my grief
so just one last time
I will take what is mine
