

# Crime Divine

## Dismember

A life under God  
Blind, still walking  
Mental murder  
Deaf, still talking Crime divine  
Mind read, explored  
All reason dead  
Brainwashed, forlorn Experience the sour  
Taste of holy pain  
Oppressed and forsaken  
Religiously insane  
Insane, insane, breed in chains Religiously insane  
Insane, insane, breed in chains  
Insane, insane, insane, breed in chains
