

Still the One

One Direction

Hello, hello, I know it's been awhile but baby
I got something that I really wanna let you know, yeah
Something that I wanna let you know oh oh oh

You say you say that everybody that you hate me
Couldn't blame you cause I left you all alone, yeah
I know that I left you all alone

And yeah, now I'm back at your door
You lookin' at me I'm sure
I should've seen it before
You're all I think about, baby

I was so stupid for letting you go
But I know you're still the one
You might have moved on
But girl you should know
That I know you're still the one
I know it's sayin' too much
But I will never give up
I was so stupid for letting you go
But I know you're still the one
I know you're still the one

Hello, hello, I'm really hoping you'll forgive me
I keep talking, begging, tell me what I wanna hear, yeah
Girl just tell me what I wanna hear

I tried, I tried to start again and find somebody
But I remember all the time and all the words we said, yeah
i cant get it out of my head yeah

Now I'm back at your door
You lookin' at me I'm sure
I should've seen it before
You're all I think about, baby

I was so stupid for letting you go
But I know you're still the one
You might have moved on

But girl you should know
That I know youâ€™re still the one
I know itâ€™s sayinâ€™ too much
But I will never give up
I was so stupid for letting you go
But I know youâ€™re still the one

Hey you, youâ€™re still the one
Hey you, youâ€™re still the one
Hey you, youâ€™re still the one
Hey you, youâ€™re still the one

I know itâ€™s sayinâ€™ too much
But I will never give up
I was so stupid for letting you go
But I know youâ€™re still the one
I know youâ€™re still the one
