from the album Villagers

Trapped outside the earth
Forced to breathe the air
Bats from the universe
Stuck in my hair
Surrounded by these ugly things
That look too much like me
They want to eat me up alive!
They want to eat me!

Blinded by the sun
Deafened by the sound
The only place I'm safe
Is deep underground
No cackling hyenas!
No obnoxious sales pitches!
No abusive wise guys
Or stupid sons of bitches!

WE'RE ALL ASPHYXIATED!
TRAPPED OUTSIDE THE EARTH
FORCED TO LIVE ON POISON
SINCE THE TIME OF BIRTH

ASPHYXIATED
ASPHYXIATED
ASPHYXIATED
ASPHYXIATED

Jackasses harassing me
'Bout my golden opportunity
Join the club, get on the bus
Gooble gobble, one of us
Go to sleep, become a pod
Dedicate my life to God

Let the chips fall where they may
Always look the other way

WE'RE ALL ASPHYXIATED!
TRAPPED OUTSIDE THE EARTH
FORCED TO LIVE ON POISON
SINCE THE TIME OF BIRTH

ASPHYXIATED, ASPHYXIATED
ASPHYXIATED, ASPHYXIATED
ASPHYXIATED, ASPHYXIATED
ASPHYXIATED, ASPHYXIATED
