Watcha Talkin' Bout

Victoria Beckham

Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
I remember talkin' to you constantly
'Cause we were cool like that
Playing silly games with you we had a ball
Going to the movies or just hangin' out, watching a DVD
But now its let's do lunch
The limos picking you up around three, sayin'
Hit me on my mobile
I'm a little busy
Gotta a lot of people to call
Oh
Watcha talkin' 'bout, I don't really hear it
'Cause you keep on fading out
You're not coming through, watcha gonna do
Watcha talkin' 'bout, who you think you're fooling
There's no way I'm hangin' out
With someone like you, watcha gonna do
It started when the fame and fans kept comin' in
And then you changed on us
Then you told us you were cool and we were wrong
When I call you on the phone you act like you ain't home
Your checking your caller ID
Now I've seen it all why you getting fake on me?
Know you gotta lot of problems
And you need to solve them
But it's not gonna be with me around
With me around, oh no
Watcha talkin' 'bout, I don't really hear it

'Cause you keep on fading out
You're not coming through, watcha gonna do
Watcha talkin' 'bout, who you think you're fooling
There's no way I'm hangin' out
With someone like you, watcha gonna do
Watcha talkin' 'bout, I don't really hear it
'Cause you keep on fading out
You're not coming through, watcha gonna do
Watcha talkin' 'bout, who you think you're fooling
There's no way I'm hangin' out
With someone like you, watcha gonna do
Wish it be the same but I doubt that you could change
'Cause you're caught up in your me myself and I don't give a
'Cause I know we're not the ones to blame but we had it goin' on
Till you started doin' us wrong
I'm not trying to be a hater but your words are stuck
I'm fed up and I've had enough, ooh ooh tell me
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout, I don't really hear it
'Cause you keep on fading out
You're not coming through, watcha gonna do?
Watcha talkin' 'bout, who you think you're fooling
There's no way, I'm hangin' out
With someone like you, watcha gonna do?
Watcha talkin' 'bout, I don't really hear it
'Cause you keep on fading out
You're not coming through, watcha gonna do?
Watcha talkin' 'bout, who you think you're fooling
There's no way I'm hangin' out
With someone like you, watcha gonna do?
Watcha talkin' 'bout
Watcha talkin' 'bout
Watcha talkin' 'bout
