

# We Worship You Today

**Darwin Hobbs**

my life is a testimony  
my heart is an open vessel  
my will is the works that yeilds to your will  
my walk is the way you lead  
my talk is the words you feed  
my praise is the sweetest sound to your ears.

hallelujah,hallelujah,hallelujah  
we worship you we worship you today (2x)

i live cause you have allowed  
i give cause you showed me how  
im here as a testimony unto you  
there's no place id rather be  
there's no other god for me  
there's no other name i give all the praise

hallelujah,hallelujah,hallelujah
