Not Real

Stealing Sheep

Don't let the daytime fool you that you're not real
Don't let the daytime fool you that you're not real
And surrendering won't get you far you know
Don't let the daytime fool you that you're not real
(It's all I want to know)
And surrendering won't get you far you know
(I just don't want to go)Don't let the daytime fool you that you're not real
(So real, it's real)
And surrender it won't get you far you know
(I just don't want to go) (you know)Lie there, I guess you're gonna die there
But you must not mind it though
I can tell you don't like it thoughLie there, I guess you're gonna die there
But you must not mind it though
I can tell you don't like it thoughTell me a reason, a real reason
Tell me a reason, a real reason
(So real, it's real)
Tell me a reason, a real reason
Tell me a reason, a real reason
(I just don't want to go)Lie there, I guess you're gonna die there
But you must not mind it though
I can tell you don't like it thoughLie there, I guess you're gonna die there
But you must not mind it though
I can tell you don't like it thoughIs it all there just for show (and how would you even know?)
Are you gonna be there?
Are we gonna lose it all?
Are you gonna be there?
Are we gonna lose it all?Why do think that it's like this, I can't find the magic?
It's invisible to you and me
Why do you think I've made finding it such a big habit?
It's invisible no one can seeLie there, I guess you're gonna die there
But you must not mind it though
I can tell you don't like it thoughIs it all there just for show (and how would you even know?)
Are you gonna be there?
Are we gonna lose it all?
So real, it's real
So real, it's real
