

Get Up

Doc Walker

Don't you think it's time to forget, leave your troubles behind
Take that road up ahead
Don't you think it's time to let go, time to let it out
Time to let it show Let's have a good time, we don't need a reason
It's not out of reach, it's just a feeling
And it ain't that hard to find, it's just a state of mind
If your not feeling fine, I got the cure, take some of mine Don't you think it's time to forget, leave your troubles
behind
Take that road up ahead, yeah
Don't you think it's time to let go, time to let it out
Time to let it show, so get up, get up, get up, get up now
Get up, get up, get up now They take a look around, you're not alone
Everybody's letting loose, everybody's letting go
Just open up your eyes and then you'll realize
If you're up for living life, just get on up, take my advise Don't you think it's time to forget, leave your troubles
behind
Take that road up ahead, yeah
Don't you think it's time to let go, time to let it out
Time to let it show, so get up, get up, get up, get up now
Get up, get up, get up now, get up, get up, get up now
Get up, get up, get up now Don't you think it's time to forget, leave your troubles behind
Take that road up ahead, yeah
Don't you think it's time to let go, time to let it out
Time to let it show, so get up Don't you think it's time to forget, leave your troubles behind
Take that road up ahead, yeah
Don't you think it's time to let go, time to let it out
Time to let it show, so get up, get up, get up, get up now
Get up, get up, get up now, get up, get up, get up now
Get up get up get up now
