Heavy

Chase & Status

DizzeeMy name's Dizzee Ras an' I entertain
I got a hot head but I use my brain
A lot of wicked MC's but we ain't the same
I got flows and money that I put out to shame'Cause I'm big in the game and livin' with fame
You late in the lane, no name, what you tryna claim?
Tryna test my frame, what do you think you're tryin' to gain
Now put the mic down, don't try your gameGrime had a little time without me, still no grime without me
No life without me, no risky roads, no grime daily
I'm still shady, fuck you, pay me
If you don't like it, fuck you, replace meOh my God, are you fucking crazy?
I seen it all, now fuckin' face me
Sleep on me, you're just fucking lazyI'm so heavy, I'm on point all day
Better stay out my way
I don't play ya, you're not ready
All I can say is I'm so heavyI'm so heavy, I'm on point all day
Better stay out my way
I don't play and you're not ready
All I can say is I'm soHeavy, heavy, heavy, heavy
Heavy, heavy, heavyI'm so heavy, I'm on point all day
Better stay out my way
I don't play ya, you're not ready
All I can say is I'm so heavy
HeavyWake up and slap yourself
Best still get strapped and clack yourself
You ain't heavy yourself, you can't catch yourself
Keep running your mouth, just relax yourselfDoing over class, rest you're ass, you're too fast
Can't carry on like that, you won't last
What the Rass, who's the Rass? There's no task
Over here hits on the MC, do askLike sippidy doo da
I bustin' a rudeboy then take a plane to Aruba
I got next moves like Lex Luger
But there ain't no cattin' for free, I'll just do yaNo leg drop, just a head talk
I don't care if the bulldog jet lagged
Afro, blond, ginger or red top it's all the same
All y'all see is the red dotI'm so heavy, I'm on point all day
Better stay out my way
I don't play and you're not ready
All I can say is I'm so heavyI-I-I'm so heavy, I'm on point all day
Better stay out my way

I don't play and you're not ready
All I can say is I'm soHeavy, heavy, heavy, heavy
Heavy, heavy, heavyI'm so heavy, I'm on point all day
Better stay out my way
I don't play and you're not ready
All I can say is I'm so heavy
HeavyAh forget it, you just don't get it
I got pure figures, I don't need street credit
I can pay with cash or I can pay with debit
Or I can do it the old way and leg itBig up the Bow E3, I still rep it, I still name check it
Nothing but L.O.V, you can't dead it
But big up the KNT 'cause I said it
Nah, I don't leg it, I ride on it, supersonic, buy land on itSpend a few hundred grand on it
Still ride around with a V on my bonnet
Making her vomit cause I blew up like tiptronic
We smoke cheese round here we don't smoke chronicIt's no joke, when you talk you choke on it
Tie a rope on it but don't hold on to it
Puff, puff pass but don't loaf on it
'CauseI'm so heavy, I'm on point all day
Better stay out my way
I don't play and you're not ready
All I can say is I'm so heavyI-I-I'm so heavy, I'm on point all day
Better stay out my way
I don't play and you're not ready
