No, fuck that that chain probably B.I.G. chain
Hell yeah, you know Biggie's got the fuckin' dollars

Only way you get that motherfucker is with some ass, yo
That's the only thing he want now
Suck his dick, he probably like that

Runnin' pockets, alright?

Until that mother fucker be asleep or some shit like that, right?
Yeah, yeah, let's do that shit
Nah, there go the other one
Sayin they always let the motherfuckin dumb niggaz hold the cash
You know what I mean?

Nah, I'm, I'm scared'a dat nigga
