

# My Balloon's Going Up

**Archie Bell & The Drells**

My balloon is going up  
(My balloon is going up)All the time we've been going together  
    Girl, I been in a daze  
    Now all I need is sunny weather  
    And I'll have it made  
    Oh, I thought I was your only fella  
    But now I've got to go far away  
    And try my best to forget ya  
    My balloon is going up  
    (My balloon is going up)  
    I'm gonna see the world  
    Find another girl  
    First, I'm gonna do some of the things  
    I wouldn't do when you're around  
    Then I'll find those smiling faces  
    You would always give a frown  
    I'm gonna try to meet the  
        Kind of girl who can be trusted  
    And then I'll come back down to Earth  
    Cause my balloon will be busted  
    My balloon is going up  
    (My balloon is going up)  
    I'm gonna see the world  
    Find another girl  
    I'm gonna try to meet the  
        Kind of girl who can be trusted  
    And then I'll come back down to Earth  
    Cause my balloon will be busted  
    My balloon is going up  
    (My balloon is going up)  
    I'm gonna see the world  
    Find another girl  
    Yes, my balloon is going up  
        My balloon is going up  
        (My balloon is going up)...
