

# Arise Dear Brother

[Archy Marshall](#)

We should get together when the day is done  
Rised to the moon and slept with the sun  
You don't have to rush my pace, I always come  
I think you're the one  
But wait  
There are some trouble with my number  
No, I'd rather be with you, lover  
Sometimes she goes wrong  
She needs to comprehend and stay strong  
Even though you fucked him, I don't really give a shit  
Maybe 'cause of my absence, you say it gives you the slip  
To slip, you slipped and slide, let the sky lose side, (?)  
(?) she lie  
Girl, it reminds me of why  
She's not my kind  
Then I (?)  
Came back to hold me sometime  
Another week I feel weak  
Pretty sure im dying, as I speak  
No (?) I've seen  
I told him all of this and he felt sorry for me  
When I'm me, am I me  
A blue moon in a tree  
And in the aftermath I can't sleep  
Oh, you can complain but I like to keep the (?)
