Flying

Godiego

Flying on my cloud to freedom
Flying till I've left the world behind
The world is getting smaller down below
I like the view the further up I go,
Up on my cloud
(*) Takin' it easy
I'm only out for a little fun
Takin' it easy
I need a holiday like everyone
Flying on my silvery cloud
Far above the green and blue
There's a lot of trouble and I see down below
But I think I'll stay for a little while more,
Up on my cloud
* repeat three times
