Pray

Lasgo

Tell me why we didn't try
Tell me why you had to go
Can't you see it makes me cry
So many things I have to know
'Cause I still care about you
And time is long overdue
Now I pray on my knees
And I look at the stars
That you would be here
Layin' down in my arms
I pray on my knees for you
Now I pray on my knees
And I look at the stars
That you would be here
Layin' down in my arms
I pray on my knees for you
I know that I can't turn back time
Just to undo all my mistakes
I'm not gonna cry for the rest of my days
I will do whatever it takes
'Cause I still care about you
And time is long overdue
I pray on my knees
I pray on my knees
For you
Now I pray on my knees
And I look at the stars
That you would be here
Layin' down in my arms
I pray on my knees for you
Now I pray on my knees
And I look at the stars
That you would be here
Layin' down in my arms
I pray on my knees for you
