

I Could Get Used To This

Jim Zgorski

So far, should I take it just a little farther?
So good and if I think about it it gets better
 I could get used to this
 I could get used to this
I could get used to feelin' the way that I do
 So long, or should I stay a little longer?
 So much for keeping it a secret
 I could get used to this
 I could get used to this
I could get used to feelin' the way that I do
All the times I told myself I could never fall in love
 Love is just too difficult, oh
 Too bad, I'm only talkin' to myself about it
So sad, I guess, I'm going to have to live without
 I could get used to this
 I could get used to this
I could get used to feelin' the way that I do
 I know, I know, I know how it goes
 Baby, will I get the chance?, ho
I could get used to feeling the way that I do, ohh
 I know, I know, I know how it goes
 Baby, will I get the chance?, oh, oh
I could get used to feeling the way that I do
