Never Give Up

Bobby V

[Chorus]

Never give up, never give up

Love love loveâ€Â¦

Never give up on love

(Don't you give up)

Never give up, never give up

Love love loveâ€Â¦

(Don't you give up on love)

Never give up on love

(Don't you give up on love)

Never give up, never give up

Love love loveâ€Â¦

(Don't you give up on love)

Never give up on love[Verse]

Now's the perfect time

In your life

Open your heart

And your ears to hear

These three words

Receive them well[Pre-Chorus]

Though the heart let's make you change

Just take the pressure with the pain

Only the strongest will remain

Never give up, you'll make it through the rain rain rain rain

You'll get through the pain pain pain pain pain yea[Chorus]

Never give up, never give up

Love love loveâ€Â¦

Never give up on love

(Don't you give up)

Never give up, never give up

Love love loveâ€Â¦

I'll never give up on love[Verse]

I can see the hurt

In your eyes

I know it well

You should lift your head to the sky

To receive your help[Pre-Chorus]

Though the heart let's make you change

Just take the pressure with the pain

Only the strongest will remain

Never give up, you'll make it through the rain rain rain rain

You'll get through the pain pain pain pain yea[Chorus]

Never give up, never give up Love love loveâ€Â¦ Never give up on love (Don't you give up) Never give up, never give up Love love loveâ€Â¦ (Don't you give up on love) Never give up on love Never give up, never give up Love love loveâ€Â¦ (Don't you give up on love) Never give up on love Never give up, never give up Love love loveâ€Â¦ (Don't you give up on love) Never give up on loveNow's the perfect time For love
