

Walk With Me

Damien Jurado

When I heard of you doing what lovers do
with somebody new, I knew
That I had to see you once again,
although I know we've seen the end
but just for tonight let's just pretend...chorus
 Oh, Walk with me
 Oh baby like it used to be
 No need to tell me that you still love me
 cause I know these things
 so just walk with me
When I saw the band around the finger of your left hand
 I knew that never again could you be my man
 And I cried as I laughed at all your jokes
 You kissed me and held me oh so close
 why I let go of you, I'll never know
 and I won't tell nobody
 if you don't tell nobody
 cause nobody can understand what we have
 Now go cause she thinks that she's the one for you
 I can't believe this is my last goodbye to you
 You tell me you hope that all of my dreams come true
 oh but before you leave me...
