

In You

Marc Ford

I feel in their anticipation
Like I was just a child
Watching through my open window
When your touch so sweet of mine
In you, in you, all I've/ever wanted was in you
You've captured my attention
You got me acting like a clown
Desire my affection, you have turned my world around
I realized, there's nothing I can do
All I've wanted was in you
Spending a life time searching
What I did not understand
I would give up any mountain
Just to hold you in my hand
In you, in you, all I've wanted was in you
You captured my attention
You got me acting like a clown
Desire my affection, you have turned my world around
I realized, there's nothing I can do
All I've wanted was in you
