Devilsong

Shinyribs

Chorus:
Oo, I don't belong, I don't belong,
in the devil's song
I don't belong in the devil's song

Flowers and sparklers, one in each of my hand
Big stars and mile-markers, the odors of a man
I don't belong in the devil's song

Let me be ashamed, and confound my haste
Cook me an onion and vinegar for taste
I don't belong in the devil's song

(Chorus)

Pulsin' out my congregation like tools in the shed
Possess my tongue with ridicule instead
I don't belong in the devil's song

Rebuke my beast, that great heard of bulls
Their pieces of silver and their vile book of rules

(Chorus)

(solo)

(Chorus)

Do not spend your prisons on my simple soul
Just be a haunt with blood and on you go

(Chorus x2)
