

# Kicking A Can Of Worms

## METZ

It's such a shame  
Broken speakers at your finger tips  
Caught in the rain  
There's no easy fix  
Still holding on  
Caught you staring at your feet again  
It won't be long  
Kick a can of wormsLet go  
Let go  
Let go  
Let goStill holding on  
Caught you staring at your feet again  
It won't be long  
Kick a can of worms  
You don't know why  
Keep on smudging out the scenery  
It's all a lie  
And nothing elseLet go  
Let go
