

King of the Town

Zornik

At the end of Mary Way
There's a crazy girl that says
I'm as different as you see
But I'm allways incomplete
Mary Way
What's this now
Play me around
It's my dream of wonderland
Give me a sound
Did you ever
Read about me and my town
I'm a lowlife middleman
King of the town oh yeah
And the times we spend together
Weren't allways very fine
And you know,
And you know my luck was standing on the line
What's this now
Play me around
It's my dream of wonderland
Give me a sound
Did you ever
Read about me and my town
I'm a lowlife middleman
King of the town oh yeah
'cause I wanted you to know.....
