O (remix)

Omarion

Whoa
Let me tell you girl
Whoa whoa whoa
Hey here I go
Here I go
I know you heard men saying time and time again
That they would rock your world and change your life
But I can?t blame them ?cause you make a nigga wanna get involved
Wanna get them drawers
Well I'm gonna put my bid in and get at you
No disrespect but I want it bad as they do
The only difference is they look out for themselves
But I?m doing it just to hear you yell, yea
O
It's gonna be the sound girl when it's going down
Your body saying
O
(O)
Don't have to say my name girl I?m just glad you came
So u can say
O
In the morning
O
In the night
You sayin' O means always hitting it right
O, o, o
You can?t be mad at me
I'm just aiming to please
Let me hear you scream, ?O?
Girl come on over and let's get this thing crackin?
You'll be surprised when see what O's I'm packing
?Cause I?m young but I?m ready
Tryna get hot and heavy
Turn you out if you let me
Yeah yeah yeah
Girl I?m gonna take you somewhere that you never been
Show you somethings that'll make you want to show your friends
Have you so weak that you can?t even say a thing
But that's ok all you gotta say is

O
(O)
It's gonna be the sound girl when it's going down
Your body saying
O
(O)
Don't have to say my name girl I?m just glad you came
So u can say
O
In the morning
O
In the night
You sayin' O means always hitting it right
O, o, o
You can?t be mad at me
I'm just aiming to please
Let me hear you scream, ?O?

O is for that overtime I'm putting in
We'll go for hours take a break and go at it again
Girl I'll work my way from A all the way to Z
But trust me babygirl O is where you wanna be
Girl believe me when I tell you
I?m not tryna tell you what to do
Because when it's said and done
The choice ain't mine it's really up to you
Just say yes, don't fix your mouth to tell me no
Drop that bottom n off on me
And just say
O, o, o, o, o, whoop
O
(O)
It's gonna be the sound girl when it's going down
(O, o, o)
Your body saying
(O, o, o)
O
(O, o, o)
Don't have to say my name girl I?m just glad you came
So u can say
O
(O)
In the morning
O
In the night

You sayin' O means always hitting it right
O, o, o
You can?t be mad at me
I'm just aiming to please
Let me hear you scream, ?O?
Let me hear you say O when I?m hitting it
(O)
Let me hear you say O when I?m getting it
(O, o, o, o, o)
Let me hear you say O when you come to the door
(Say, "O")
Let me hear you say O from the bed to the floor
(Say, "O")
(O, o, o, o, o)
(Now somebody say my name)
Let me hear you say O when it?s all going down
Let me hear you say O when you can?t make another sound
(Now scream)
Babygirl let me hear you scream O
(O)
Babygirl let me hear you scream O
(O)
O, o, o, o, o
Yeah, that's how you do it girl
(O)
