

Cindy C.

Prince

This song's about a high class model,
Over in Paris, France (Oh, Cindy C)
If I get a camera,
Tell me will you dance (will you play with me?)
If I take a picture,
In the middle of the night (Oh, Cindy C)
Will you fuck with me,
Sugar, say it's alright, c'mon (will you play with me?)
(Say it, say it)(Cindy see, play with me)
(I will pay the usual fee)
Cindy see, (What's it gonna be?)
Will you play with me? (What's it gonna be?)
(Cindy see, play with me)
(I will pay with usual fee)
Cindy see, (What's it gonna be?)
I'll pay the fee (Cindy C)Super-fine heifer (super fine)
I saw you in the Vogue
I knew you would be trouble, (trouble, trouble)
But why go (go,go)
I'll give you seven sips of
Elderberry wine (one, two, three, four, five, six, seven)
Maybe we'll unlock the
Secrets of your mind(Cindy see, play with me)
(I will pay the usual fee)
Cindy see, (What's it gonna be?)
Will you play with me? (What's it gonna be?)
(Cindy see, play with me)
(I will pay with usual fee)
Cindy see, (What's it gonna be?)
I'll pay the fee (Cindy C)The passion's in the mix. (Serve it up, Sheila)
Drink it quick, Cindy, shit
Where'd you get that beauty mark?
Maybe you and I should be undressingDon't all girls look the same? They don't?
Oh, what a shame.
Cindy, Cindy. I'll pay the usual fee
What's the matter, don't you like me?(help me tell me what it's all about)I'm talking about a long [crucial
wait](Cindy see Listen
Girl, if I have to beg (She's so tired)
I'm gonna see you in (Look at me)

Your birthday suit tonight (She doesn't look as good as I do)
 I'm sure you're quite intelligent (you think she does, but think again. See?)
 A whiz at math and all that shit (how 'bout that?)
 But I'm, I'm a tad more interested (Ah ha ha look it,)
 (She can't even walk in those shoes)
 (I can walk better than that)
 In flyin' your kite tonight (She can't even dance)
 Cindy, is that alright? (I would give somethin' to know)
 (how she ever sees anyone)
 (Cindy C)
 Oh Cindy see, will you play with me?
 I'll pay the usual fee Two organ solos to go (Oh Cindy see, Oh Cindy see, Oh Cindy see, Oh Cindy C)
 (Oh Cindy see, Oh Cindy see, Yeah, Oh Cindy see, oh Cindy C)
 (Oh Cindy see, Oh, oh, Oh Cindy C)
 (Oh Cindy see, Will you play with me?)
 (Oh Cindy see, I will pay the fee)
 (Ah Cindy see, Will you play with me?)
 (Ah Cindy see, I will pay the fee) Help me (shit) Excuse my savior faire,
 But, baby I'm dying to take you everywhere (Oh yeah?)
 I want to show you to my friends
 Because baby, you're the living end (Tell me now)
 Let me have a debt worth winning,
 I can feel your ice is thinning
 Like a frozen pond in spring
 Your furry melting thing awaits me
 Your furry melting thing awaits me, (Oh Cindy C)
 And my six-string (Will you play with me?) (Cindy, where are you?)
 C'mon Cindy (Oh my God)
 C'mon Cindy (Wait)
 Don't you want to play with me? (Ah, yes, no, wait)
 Don't you want to play with me? (Yes)
 What's the matter with me, Cindy? (Nothing) (shockadelica) Oh Cindy see, won't you play with me? Music is the
 key to set yourself free
 From depression, drugs and increasing poverty
 The key is to the lock, the lock is on the door
 The door has a knob that you've never turned before
 The jack, use the jack, it opens up the lock
 Cause there's the key to unlock the body
 Place it like that to open up the door
 The door to the house full of people galore
 The beat won't stop 'til the JM jocks
 And he jacks the box 'til the party rocks
 The clock tick-tocks and the place gets hot
 And believe it or not, all the troubles you forgot
 It's just that easy if you want it to be

For all the fellas, and the young ladies
So ease your mind and set yourself free
To the mystifying music that we call Cindy see Oh Cindy see, won't you play with me?
Oh Cindy see
