Method Man

Do you want to get high man?
I see 'em, does Pinocchio have wooden balls man?
Well yo, I got a joint I've been saving here for a special occasion
Ah, niggas, bitches, welcome.
A full tank of gas, a pound of weed, a bird called Pinky
To the east, driver to the east

Funk doctor and the phino
By the way, this is protected by the red
The track and tical with the key
Oh shit, where the keys at?
