

This Ain't Sex

Usher

Yeah, you need to turn this up
(All the ladies report to da dance floor)
Yeah, it's just you and meDa, da, da, da, daa, da
Da, da, da, da, daa, da
Da, da, da, da, daa, daBaby, I can't wait to get you up in my room
Lately, just let me go and set up the mood
Now I'm gon' do you and then I'm gon' do you down
I'm gon' have that body, baby, floating all around
And all you gotta do is come close to me
Bring it all to me, it's going downWe ain't having sex
We're making movements that'll outlast the world
And this ain't sex
This is the symbol of the true makings of love
I'm open all night
(All night)This is love, this is real
This is how u make me feel
This is how u make me feelBaby, I can't wait to deliver you
(Like a Fed-Ex box, baby girl sign, ya name now)
Baby, I can't wait to remember you
(Kinda like ya first phone call on ya birthday)How I did you up and then how I did you down
Yeah, I had that pretty body floatin' all around
Taking back from when you was close to me
And I thought that we'd never come downWe ain't having sex
We're making movements that'll outlast the world
And this ain't sex
This is the makings of the true makings of love
I'm open all nightLook what you did to me, make me into a believer
I'm not dying to see everything you're giving to me
Ooh baby, feels so good, can't get carried away
Need to stop and think before it's too late
I can't, it feels so good inside
I guess we'll turn this moment into a lifetimeDa, da, da, da, daa, da
Da, da, da, da, daa, da
Da, da, da, da, daa, da
Da, da, da, da, daa, daWe ain't having sex
We're just making moving that'll outlast the world
And this ain't sex
This is the symbols of the true makings of loveDa, da, da, da, daa, da
Da, da, da, da, daa, da

Da, da, da, da, daa, da
Da, da, da, da, daa, da This is love, this is real
This is how you make me feel
