# Let Me In

## Zee Avi

Bring me a lily and one loaf of bread
take me home... now!
I can't forget any words that you've said
but they're gone ..now!
Trying my best to keep up with your pace
but you're too fast
Trying my best to get off of this fence
for I won't last
Maybe we can try to be better this time..
Maybe we can try to be better this time..
I'm just a speckle of dust
in this gigantic world now
And I'm going only where the wind will take me
bring me down ..now!

And my smiles turn to tears
and I'm facing my fears
can't you see me
trying my best to reach out for your hand
you won't let me in
and I've done what I can
you keep changing your plans
do you need me
Maybe we can try to be better this time
Maybe we can try to be better this time
so let me in
let me in
let me in
let me in
let me....
