

# I Should Care

**Julie London**

I should care  
I should go around weeping  
I should care  
I should go without sleeping

Strangely enough I sleep well  
'Cept for a dream or two  
But then I count my sheep well  
Funny how sheep can lie you to sleep

So I should care  
I shouldn't let it upset me  
I should care  
But it just doesn't get me

Maybe I won't find someone  
As lovely as you  
But I should care  
And I do

So I should care  
I shouldn't let it upset me  
I should care  
But it just doesn't get me

Maybe I won't find someone  
As lovely as you  
But I should care  
And I do
