

# Death Of A Shade Of A Hue

## Of Montreal

Over a sea of grief Scarlet died  
Above her dying mind were fossilified memory imprints of her favorite day  
For a minute I stayed watching this brilliant display  
Until a god with a broom came and swept them away

In their bereavement all of her colorful friends  
Turned to a milky grey depressing blend  
Which incidentally made Grey feel inane  
So he set off to find a less trite identity  
One as stunning and bold as Scarlet used to be
