

Stranger Blues

Steve Miller Band

I'm a stranger here and I just moved into your town
I'm a stranger here and I just moved into your town
Because I'm a stranger
Everybody's doggin' me around, doggin' me around Sometimes I wonder why they treat a stranger so
Yes sir, sometimes I wonder why they treat a stranger so
They all should remember that they're
They're gonna reap just what they sow, just what they sow Sometimes I wonder do my baby know I'm here
Sometimes I wonder do my baby know I'm here
You know that she do, my baby don't really care Well, I'm goin' down South if I wear out 99 pair of shoes
Well, I'm goin' down South if I wear out 99 pair of shoes
You know I will be welcome, I won't have these stranger blues
These stranger blues
