

# O Holy Night

## Mandisa

O holy night  
The stars are brightly shining  
It is the night  
Of our dear Savior's birth  
Long lay the world  
In sin and error pining  
'Til He appeared  
And the soul felt its worth  
A thrill of hope  
The weary world rejoices  
For yonder breaks  
A new and glorious morn  
Fall on your knees  
Oh, hear the angel voices  
Oh, night divine, oh, night when Christ was born  
Oh, night divine, oh, night, oh, night divine  
Truly He taught us  
To love one another  
His law is love  
And His gospel is peace  
Chains shall He break  
For the slave is our brother  
And in His name  
All oppression shall cease  
Sweet hymns of joy  
In grateful chorus raise we  
Let all within us  
Praise His holy name  
Fall on your knees  
Don't you hear the angel voices?  
Oh, night divine  
Oh, Christ is the Lord  
Let's praise His name forever  
His power and glory evermore proclaim  
Oh, night divine, oh, night when Christ was born  
Oh, night divine
