

# Love You Don't Know Me

## Au Revoir Simone

Love, you don't know me.

Love, you don't know me. Love, you don't know me.

Love, you don't know me. Love, you don't know me.

Love, you don't know me. Love, you don't know me.

Love, you don't know me. Love, you don't know me.

Love, you don't know me. Love, you don't know me.

Love, you don't know me.
