

# Winter Wonderland

[Aimee Mann](#)

Sleigh bells ring, are you listening?  
In the lane, snow is glistening  
A beautiful sight, we're happy tonight  
Walking in a winter wonderlandGone away is the bluebird  
Here to stay is a new bird  
He sings a love song as we go along  
Walking in a winter wonderlandIn the meadow we can build a snowman  
Then pretend that he is Parson Brown  
He'll say, "Are you married?", we'll say, "No man  
But you can do the job when you're in town"Later on, we'll conspire  
As we dream by the fire  
To face unafraid, the plans that we've made  
Walking in a winter wonderlandOver the ground lies a mantle of white  
A heaven of diamond shine down through the night  
Two hearts are thrilling in spite of the chill in the weatherLove knows no season, love knows no clime  
Romance can blossom any old time  
Here in the open we are walking and hoping togetherIn the meadow we can build a snowman  
Then pretend that he is Parson Brown  
He'll say, "Are you married?", we'll say, "No man  
But you can do the job when you're in town"Later on, we'll conspire  
As we dream by the fire  
To face unafraid, the plans that we've made  
Walking in a winter wonderlandWalking in a winter wonderland  
Walking in a winter wonderland
