I'll praise Your name, I'll sing you a song
For all You have done for me
Brought me out of poverty

Na who know me before
(No one)
Na who like me before
(No one)
Na who want me before

(No one)
Na who dash me before
Oghene vwerovwe branama ee

Mi de kperisewe womri nyovwe
Me da no miewe wome kevwe
Oghene uriri todewe
Wo siuywe na boriwigre wokevwekpo

I thank You Lord for all You have done
I'll praise Your name, I'll sing you a song

(done for me)
Brought me out of poverty
(poverty)

Na who know me before
Na who like me before
Na who want me before
Na who dash me before
Oghene vwerovwe branama ee

I remember my years of pain
Struggle for a living, yet no gain
Sadness and depression flowing in my vein
But like You said in Your Word, I will prevail
Gave me garment of praise, for my heaviness
Oil of gladness above all my fellow men

Na who know me before
(eh eh)
Na who like me before
(eh eh)
Na who want me before
(eh eh)
Na who dash me before
(eh eh)
Osa loburue migwo
(eh eh)

Ogene we khobiro
(eh eh)
Agbada gbururu
(eh eh)
Ogbi le ta ko ruru
(eh eh)

My own don beta
(My own don beta)
My own don beta
(My own don beta)
My own don beta
(My own don beta)
eh eh eh eh eh eh
(My own don beta)

Abo wherho

Mi de kperisewe womri nyovwe
Me da no miewe wome kevwe
Oghene uriri todewe
Wo siuywe na boriwigre wokevwekpo
Oma gene vwerovwe me eh me branama ee

Mi de kperisewe womri nyovwe
Me da no miewe wome kevwe
