

# White Flag (feat. Chris Tomlin)

## Passion

The battle rages on  
As storm and tempest roar  
We cannot win this fight  
Inside our rebel hearts  
We're laying down our weapons now  
We raise our white flag  
We surrender  
All to You  
All for You  
We raise our white flag  
The war is over  
Love has come  
Your love has won  
Here on this Holy ground  
You made a way for peace  
Laying your body down  
You took our rightful place  
This freedom song is marching on  
We lift the cross  
Lift it high lift it high
