

Ghost Of A Chance - Live

Rush

Like a million little doorways
All the choices we made
All the stages we passed through
All the roles we played For so many different directions
Our separate paths might have turned
With every door that we opened
Every bridge that we burned Somehow we find each other
Through all that masquerade
Somehow we found each other
Somehow we have stayed
In a state of grace I don't believe in destiny
Or the guiding hand of fate
I don't believe in forever
Or love as a mystical state I don't believe in the stars or the planets
Or angels watching from above
But I believe there's a ghost of a chance
We can find someone to love
And make it last Like a million little crossroads
Through the back streets of youth
Each time we turn a new corner
A tiny moment of truth So many different connections
Our separate paths might have made
With every door that we opened
Every game we played Somehow we find each other
Through all that masquerade
Somehow we found each other
Somehow we have stayed
In a state of grace
