

Catch

Sam Riddle

Catch you You create misery
Have your cake and eat it Take your place in history
And pray we don't repeat it Call it fate, call it back[break] Call it off, don't call me later[break]
Lay your head in your bed
It's just how you made it Out off my way I'm running
I'm gonna catch you if I can Out off my way I'm coming
I'm gonna catch you if I can Out off my way I'm running
I'm gonna catch you if I can Out off my way start running
I'm gonna catch you It's your day believe it
It's your date with destiny It's too late to leave it
After all it's your, it's your party Call it luck, call it fate
Call me beautiful to my face Call it out to my to surprise
It's just how you made it Out off my way I'm running
I'm gonna catch you if I can Out off my way I'm coming
I'm gonna catch you if I can Out off my way I'm running
I'm gonna catch you if I can Out off my way start running
I'm gonna catch you Out off my way I'm running
I'm gonna catch you if I can Out off my way I'm coming
I'm gonna catch you if I can Out off my way I'm running
I'm gonna catch you if I can Out off my way start running
I'm gonna catch you Catch you, catch you
