In Your Shadow

Lil' Eddie

i hate my life,
i can't sit still for
one more single day.
i've been here waiting for,
something to live and die for.
Let's run and hide.
Out of touch, out of time.
Just get lost without a sign.
as long as you stand by my side,
In your shadow i can shine.
in your shadow i can shine.
in your shadow i can shine.
Shine.
You see my soul,
i'm a nightmare.
i'm out of control,
i'm crashing,
into the dark, into the blue,
into the world of our cocoon.

You're the sun and i'm the moon.
in your shadow i can shine.
in your shadow i can shine
in your shadow i can shine.
Shine
Don't let go-oh, oh, oh no.
don't you know?!
In your shadow i can shine!
in your shadow i can shine!
in your shadow i can shine!
Shine!
Shine!
Shine!
In your shadow i can shine!
in your shadow i can shine!
in your shadow i can shine!
Shine!
Shine!
Shine!

In your shadow i can shine..
