Doggy Style

Here boy!!!Doggie...
He's a legend on the internet
Doggie...
He's a canine porn star
Doggie...
This little pup will go far
Doggie...They're shootin' video again
It's destined for japanHey buddy, why don't you lean down
And give that little dog a hand...Doggie...
He's always makin' poppa proud
Doggie...
He likes 'em with 8 tits
Doggie...
He takes man-sized shits
Doggie...Doggie...
Lookin' out for pure-bred sluts
Doggie...
He's hangin' out with seymour butts
Doggie...
He's all done with common mutts
Doggie...
