

Where the West Wind Blows

Green River Ordinance

Maybe I'm down to my last dollar
I'm weak in the knees and soft in the holler
I've found a place where we can go
A little piece of land where the west wind blows
Where the west wind blows Let's get lost with no direction
35, head south on this exit
Found a place where time moves slow
A little piece of land where the west wind blows
Where the west wind blows I wanna be with you when the sun goes down
I wanna be with you when the lights go out
Yeah, there's so much here that's brought us down
I'd leave it all for this crazy little love we've found Maybe, I've been wondering
Just where to call home
And I said, baby, what I've realized
Where you are is where I belong
It's where I belong I wanna be with you when the sun goes down
I wanna be with you when the lights go out
Yeah, there's so much here that's brought us down
I'd leave it all for this crazy little love we've found Yeah, yeah, you gotta shake what god gave you, baby
Yeah, yeah, show 'em what you're worth, love
There's no shame in shaking that thing a little faster now
Shaking that thing a little faster
(Come on, Paul, show 'em what you're worth)
