

# I Can't Wait

## Immature

Immature, Darkchild, uh  
All day everyday  
You can see me in the drop top SLK  
D to tha A to tha R to tha K  
Child, it's been a while and I still can't wait  
Well, excuse me, can I have your attention?  
There's just a few things that I've got to mention  
I know you don't know me but my name is Mikey  
And after this you're sure to like me  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(To see you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(See you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
Tell me what time are we hookin' up?  
'Cuz I can't wait  
(Until we get in touch)  
Girl, you got me open like an all night  
(Store)  
So come on girl, I'll give you whatcha lookin' for  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(To see you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)

I can't wait  
(Oh baby, I can't wait)  
To see you today  
(See you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
You should know just how I  
(Feel)  
When you come around, I feel so good  
(Inside)  
That's why I need you, girl  
(Right now)  
I can't wait, baby  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(To see you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(See you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
Won't y'all break it down  
Break it down  
Mr. Mike Nitty, get down like that  
Now, now, now, now  
Who makes you boogie like me, nobody  
You jigglin', baby  
Drive the young girls crazy  
Yeah, yeah, yo, how it go  
Let me know the deal  
Shorty slim at 'em again, so tell me how I feel  
I'm the big boy that makes the big hits  
Stack the big chips, float the big whips  
Baby, dig this, got ice on my wrist  
We eat on platinum plates around eight

I just can't wait  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(To see you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(See you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(To see you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(See you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(To see you today)  
I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)  
I can't wait  
(Oh baby, I can't wait)  
To see you today  
(See you today)

I got you on my mind  
(Oh baby, I can't wait)  
To see your face  
(To see you today)
