Love, The Hardest Way

Him

Love's the devil counting teardrops in the rain
To the sound of a chalkboard symphony played with nails
For what it's worth
I don't want to see you hurt anymore than you have to
Pretty like a flower on the tomb, you are
Kissed blue by the last arrows of the sun
Olly olly oxen free
Hide and go weep no more unless you want to
Dine on glass, wine on blood
Baby, love the hard way
Baudelaire in Braille
Baby, love the harder way
Once you lose yourself into
I promise you love, the hardest way
Dine on glass, wine on blood
Baby, love the hard way
Baudelaire in Braille
Baby, love the harder way
Once you lose yourself into
I promise you love, the hardest way
Love, the hard way
Love, the hard way
Love, the hard way
Love, the hard way
